

PagTech LLC is a Maryland-based IT infrastructure engineering firm delivering enterprise storage, SAN fabric, and data center engineering services to federal agencies and commercial organizations, backed by decades of hands-on enterprise experience.

CORE COMPETENCIES

- Enterprise storage engineering (EMC VNX, Clariion, Celerra)
- SAN fabric design and support (Brocade, Cisco)
- Data center operations and support
- Infrastructure modernization and consulting
- Virtualization and cloud migration
- Disaster recovery and continuity planning
- Federal IT infrastructure support

DIFFERENTIATORS

- Hands-on enterprise storage and SAN engineering background
- Direct, responsive small-business engagement model
- Vendor-neutral, practitioner-driven recommendations
- Maryland-based, DC-metro proximity to federal customers

PAST PERFORMANCE

Available upon request.
